

# Occupational Certificate: Road Transport Manager NQF 5

## ^ PURPOSE

The purpose of this qualification is to prepare a learner to operate as a road transport manager.

A road transport manager coordinates and implements transportation operations so that freight (goods, passengers or livestock) is moved from origin to destination in terms of stakeholder requirements and in compliance with legislative requirements.

A qualified learner will be able to:

- Manage human relations
- Plan, prepare and maintain vehicle management system and transport infrastructure
- Implement support functions for an effective transport system
